STATEMENT OF PROBABLE CAUSE

(For issuance of an arrest warrant or summons)

I state that on 03/19/2022 while exercising my duties as a law enforcement
 officer in the Eastern District of WA

Pursuant to 16USC 551: I was in the Salmon La Sac area in a law enforcement uniform and marked agency vehicle. LEO Goninan was working in plain clothes and unmarked vehicle. We were investigating reports of unpermitted commercial activity involving Cascade Playtime. We've worked several cases involving Cascade Playtime, the owner Shawn Parker, and his employees. Mr. Parker has been cited previously for conducting business without a special use authorization as well as state law violations. At the French Cabin SnoPark I observed a truck, trailer, and snowmobiles I recognized as Cascade Playtime equipment. I took photos of the equipment. I observed a male and female near the snowmobiles and spoke with them. The individuals said they rented the snowmobiles from Cascade Playtime. They showed up at 09:00 and the truck, trailer, and snowmobiles were already at the SnoPark. The individuals described a young male and an older male with an accent that delivered the snowmobiles and showed them how to use them. They were instructed to leave the snowmobiles near the trailhead and Cascade Playtime would pick them up. The couple wanted to remain anonymous. About an hour later LEO Goninan said he observed two males loading the Cascade Playtime snowmobiles onto a trailer. LEO Goninan described the individuals and vehicles. A few moments later I saw vehicles and individuals matching that description and waived them to pull over into a parking area. I contacted them, identified myself, and conducted a recorded interview. One of the individuals was Mr. Parker's son, Broc Parker, and the other is a part time employee of Cascade Playtime. Both denied conducting commercial activity. I told them they were free to go and I would contact Mr. Parker. I observed a UTV exit the French Cabin area. I did not see a registration. I stopped the UTV and the driver identified himself as Mr. Parker's son. I checked and confirmed there was no OHV registration, no plate, and no paper registration as required. I told Mr. Parker's son that he was free to leave and I would contact his dad. I contacted Mr. Parker at Cascade Playtime and he said the machine is currently registered. Mr. Parker handed me a registration for a different machine. Dispatch checked the VIN and confirmed it was not stolen and not currently registered. Mr. Parker searched and was unable to produce a valid registration or bill of sale. His son is a juvenile so Mr. Parker was issued a citation for not having valid vehicle registration under 36 CFR 261.54(d). Mr.
